

Dear Ghost,

Mayrhofer-Ohata (Austria-Japan) is an artist-duo born and based in-between Vienna, Paris and Tokyo. They work with sculpture and text, fiction and fact. Their project-oriented work-sets engage in a playful way with society and its representations. The material-oriented works evolve from questions around body and transformation.

Sayaka Ohata studied at the Tama Art University Tokyo (MFA) and at the Institut Supérieur des Beaux Arts de Besançon (DNSEP). Joseph Mayrhofer-Ohata studied, with a strong leaning towards poetry, Romance Languages and Philosophy at the Sorbonne Paris IV and at the University of Vienna (MA).
